- **TO IMPART KNOWLEDGE AND TECHNOLOGICAL SKILLS IN YOUNG MINDS WITH GLOBAL STANDARDS**
- **TO IGNITE ENVIRONMENTAL SENSITIVITY**
- **TO INDOCTRINATE RIGHT VALUES AND UNIVERSAL BROTHERHOOD**
- **TO INCORPORATE STUDENT-CENTRIC AND JOYFUL LEARNING**

Message from the Principal ...

Dear students, colleagues and parents,

“You can cut all the flowers but you cannot keep spring from coming.” Pablo Neruda

My heartiest congratulations to the entire team for the successful completion of the first half of the academic year 2024-2025. The first part of the year has been eventful. Our students were provided with innumerable opportunities to exhibit their innate talents by participating in various inter-school competitions and bringing laurels to our school. I would like to congratulate all the students who participated in the events and won uncountable prizes in the last few months.

Dear students, you have done very well in the Term I Examination which was conducted in October. Although most of you have done exceptionally well in the examination, still a few of our friends need to strive hard to meet their potential with their sincere efforts. We are in the process of preparing the students of Classes X & XII for the Board examinations to be held in February / March 2025.

We cannot change the past but if we resolve to face all challenges now, we can create a future as resplendent as the hues of the rainbow. Spare a glance at the horizon it is full of promises. No matter what the situation is, never let your emotions subjugate your perspicacity. We don't develop courage by being happy always instead we develop it by enduring difficult times and challenging adversity. You should remember it is absolutely pointless to despair, as that will only make us victim of this unparalleled situation.

Do not drift away, keep sailing. Stay tuned in with life as Spring is round the corner.

The coming months will be full of academic activities and co-curricular programmes which are designed to shape you up and grow to be all round personalities. I wish that you all participate in all these activities and programmes with vigour and enthusiasm to project your best and achieve laurels to yourselves and to the glory of your institution.

With best wishes

P. Eskalin Gonsalves

Principal

Blue Day Celebration

On November 8, 2024, our Kindergarten children celebrated Blue Day with great excitement. Dressed in various shades of blue, they engaged in fun activities that highlighted the significance of the colour. The classrooms were decorated with blue balloons, and students participated in games and crafts, such as creating blue-themed art. Overall, Blue Day was a joyful and educational experience, enhancing the children's understanding of colours while promoting creativity and social interaction.

BOOK FEST

The Book Fest was held at our school on Saturday, November 9, 2024. It was a vibrant celebration of literature, featuring an array of books from various genres. Kurumpanai Mr. C. Berlin was the Chief Guest and Mrs. A. Golden Showmi was the Parental Guest for the inauguration.

Parent - Teacher Meeting 09.11.2024

Visit to ISRO Trivandrum

The visit to ISRO in Thiruvananthapuram was an inspiring experience for the students of Classes VI to IX, as they explored the Vikram Sarabhai Space Centre and learned about India's space missions. Engaging in hands-on activities like model rocketry and robotics, they gained valuable insights into space science and technology. The interaction with ISRO scientists ignited their curiosity and encouraged them to consider careers in STEM fields.

Children's Day Celebration

Our school's Children's Day celebration was made even more special as we also celebrated our Rector Rev. Fr. Rethees' birthday. The event included heartfelt performances by teachers, who expressed their gratitude and admiration for our Rector's leadership.

Cultural Fiesta 2024

The Cultural Fiesta 2024 for KG children from our school was celebrated on November 23, 2024, showcasing the vibrant talents of our little ones. The event featured delightful performances, including songs and dances that captivated parents and teachers alike. Our young students charmed the audience with their energetic displays, creating a warm and festive atmosphere. This celebration not only highlighted their artistic skills but also fostered a sense of community and cultural appreciation within our school.

Pearls of Innovation 2024

The annual exhibition was held at our school on November 29, 2024, showcasing the remarkable creativity and ingenuity of students.

This event featured a diverse range of projects across various disciplines, highlighting innovative solutions to real-world challenges.

Students engaged visitors with interactive displays, allowing them to experience the projects firsthand. A panel of judges evaluated the exhibits based on creativity and practicality.

The exhibition attracted a large audience, including parents and students, fostering a spirit of collaboration and support.

Overall, the event celebrated the students' hard work and commitment to innovation, reinforcing the school's dedication to nurturing future leaders in technology and creativity. The success of "Pearls of Innovation 2024" reflects the vibrant educational environment at our school.

Our Achievements

Our school students won the 3rd prize at the Expo at DMI Engineering College, Aralvaimozhi.

**S. Abinasha Jones, Shalom Alaya ,
T. Angel Mystica ,F. Jane Saina**

Our school student **B R Riya** won the 1st prize at the **Kazham 2K24 Silambam Competition** Conducted by Yas Events in Nagercoil

**Hearty
Congratulations**

As we wrap up another exciting edition of our school newsletter, we want to thank you for your continued support and engagement. Together, we are building a vibrant community where our students can thrive and succeed. Stay tuned for more updates, and remember to embrace the joy of learning every day! Until next time, keep shining bright!
